

CONSTRUCTION UPDATE – 8 OCTOBER 2019

We are commencing work on the Indigenous Cultural Landscape Garden, located to the southern end of the National Innovation Centre. This garden has been designed by Yerrabingin, with insights from our local Indigenous community.

What to expect:

Major landscaping works will take place in the area (shown in the below map). This work will include demolition, installation of new light poles, timber decking and various landscaping planting works.

Pedestrian diversions are in place during the work. (see arrows). The existing path from Locomotive Street crossing to corner of Cornwallis Street will be closed during the works.

Work duration:

The work will commence this week, from Wednesday 9th October and we anticipate completion by 2nd week of December 2019.
