

## Construction Update – 29<sup>th</sup> September 2017

We are establishing a compound area at the end of Central Ave, to be used for staging for both High Voltage works and Civil works.

The compound work will commence on 4<sup>th</sup> October, and the compound will remain in place until early 2019 (completion of Stage 1 roadworks).

During the setup of this compound, the following will take place:

- Installation of waterfilled barriers to secure the work area
- Removal of grass and trees
- Installation of asphalt pavement
- Installation of chain-wire fencing

If you have any questions or concerns, or if you require more information, please contact me at [atp.communications@mirvac.com](mailto:atp.communications@mirvac.com) or call 1800 870 549.

Kind regards, Kim
