

## **Construction Update – 17<sup>th</sup> January 2018**

This notification is regarding the next Tower Crane Installation for Building 2.

On Friday 19<sup>th</sup> and Saturday 20<sup>th</sup> January 2018 Mirvac will be installing the third Tower Crane for the development on Lot 12 (Building 2) at Australian Technology Park. The works will involve the setting up of a mobile crane on Central Ave. (see below map).

The components for the crane will be delivered on trucks that will enter the precinct via Davy Road and out Garden Street.

There will be exclusion zones and traffic changes in place on Central Ave during lifting operations. Public pedestrian access will be maintained on Central Ave and access to existing car parks and loading docks will also be maintained.

The works are scheduled to be completed on Friday and Saturday, however progress could potentially be delayed due to unforeseen circumstances such as inclement weather.

If you have any questions or concerns, or if you require more information, please contact me at [atp.communications@mirvac.com](mailto:atp.communications@mirvac.com) or call 1800 870 549.

Kind regards, Kim
